Professional Summary

Motivated MCA fresher with an interest in Software Testing and Web Development. Experienced in identifying UI, validation, and functional issues through academic projects. Skilled in debugging, re-testing, and improving user experience. Fast learner with strong analytical skills, eager to contribute to testing and development teams.

Technical Skills

- Languages: Python, JavaScript, HTML, CSS
- Database: MySQL
- Version Control: Git, GitHub
- Tools: VS Code
- Web Technologies: Frontend Development (HTML, CSS, JavaScript)
- AI/ML Skills: Basic Chatbot Development
- Testing Skills: Manual Testing, Test Case Writing, Bug Identification, UI/Functional Testing

Projects

Future Career Advisor Chatbot

Technologies: HTML, CSS, JavaScript, Python, MySQL

Description:

Developed a web-based chatbot that provides career suggestions to students and job seekers.

Key Contributions:

- Designed a clean and responsive UI using HTML, CSS, and JavaScript.
- Created the chatbot's interaction flow and user interface.
- Structured the project for future ML model integration.
- Performed UI testing and fixed issues for smooth functionality.

Phase 1 Achievements:

- Completed the full frontend including UI design and user flow.
- Built a responsive interface using HTML, CSS, and JavaScript.
- Developed a working prototype ready for backend and AI integration.

Phase 2 Plan:

- Integrate backend using Python and MySQL.
- Implement an AI/ML model for real-time career recommendations.

Personal Portfolio Website
Technologies: HTML, CSS, JavaScript

Key Contributions:
- Designed a modern, responsive layout.
- Added interactive elements using JavaScript.
- Performed UI testing to ensure performance across devices.

Education
- Master of Computer Applications (MCA), Hindusthan College of Arts and Science (2024–2026) | 81.50%
- Bachelor of Computer Applications (BCA), SRM Trichy Arts and Science College (2021–2024) | 80.61%
- Higher Secondary (XII), Amala Matric Higher Secondary School (2021) | 86%

Soft Skills
- Problem-Solving
- Quick Learner
- Adaptability
- Critical Thinking
- Time Management
- Communication Skills
